Explore Your Future in Construction and Green Careers!

Whether you're a student, job seeker, or simply curious about the future of sustainable industries, this event is your gateway to exciting opportunities in construction and green skills.

- Connect directly with local employers, apprenticeship providers, colleges, and training organisations offering roles and courses in construction, retrofitting, renewable energy, and more.
- Learn about the wide range of careers available, from traditional trades to cutting-edge green technologies and the skills needed to succeed.
- Experience live demos, try out tools and tech, and get a feel for what working in these industries is really like.
- Get free support with CVs, interview tips, and guidance on how to take your next step.
- Whether you're just starting out, changing careers, or looking to upskill — this event is for you!
